Your talents are needed for ALL PTA activities and services. If you can help, please return Volunteer Form to your child's teacher or contact the committee chair for additional information.

## **ASSOCIATION MEETINGS**

---

Every 2<sup>nd</sup> Tuesday of the month, we invite you to our association meetings to get all the updated information about our school, events lined up, and our programs. This year we will have: make and take activities, guest speakers, and refreshments. If you can't make our meeting, minutes will be on our website.

## **BOOK FAIR**

**Maricella de Rivera & Marina Hernandez**

---

The Scholastic Book Fair and La Liberia are popular events for our students and teachers. The library is transformed into a bookstore. Giving as little as 30 minutes to help and volunteer would be greatly appreciated. Children and parents can find wonderful books, educational resources, and other items at reasonable prices. We will be having 2 Book Fairs this year: Scholastic Book Fair (Dec. 10-12) and our Spanish Book Fair, La Liberia (April 7-9).

## **BOX TOPS**

**Sarah Miner**

---

Clip and save Box Top. Each Box Top is worth 10 cents for our school. This is a fun way to have our children be involved. Each month you will receive a new Box Tops sheet to fill out. Once filled out, turn it into your classroom teacher.

## **COMMUNICATIONS**

**Maria Menold**

---

Every Sunday an email blast is sent letting you know about the upcoming events held by PTA. Get all the update information and be connected with all the great things happening.

## **COMMUNITY OUTREACH**

**Jessica De & Hallie Jane Culpepper**

---

This year we will be having several community service events for our families to be a part of. We want to connect our school to the community. Giving back is a great and rewarding way to bring families together. We hope that you will join and/or help make this possible for our students.

## **DINE TO DONATE**

**Nereyda Armenta & Hallie Jane Culpepper**

---

Every last Wednesday of the month, we offer a dining-out night for our families. It's a great middle of the week dinner out with your family, a great excuse to not have to cook, and our school benefits by getting part of the proceeds. Keep an eye out for those flyers and messages on our school marquee and website.

## **GARDEN**

**Jason McGee**

---

At the end of last year, we completely revamped our garden to get it ready for this school year. It's finally ready and we are excited to say that our students will be planting and harvesting soon. Our garden is a labor of love and would love to have volunteers work on the garden upkeep throughout the year.

## **GEOGRAPHY BEE**

**Maricella de Rivera**

---

Fifth grade students will be tested on their geography skills. On December 2<sup>nd</sup> we will have our qualification round. Those students that make it to the next round will have all Winter Break to study for the final round, which will be held on January 9<sup>th</sup>. The winner of our school will go to the next level of competition. Come and volunteer for this great educational event.

## **FIELD TRIPS**

---

With the money that we raise from the Fit-A-Thon, we pay for our students to go on experiences that connect with their curriculum. If you are interested in going on a field trip with your child, please fill out the paper work to become a VIP, which you can find on our website and the LBUSD website.

## **FIT-A-THON**

**Marina Hernandez**

Our only fundraiser that pays for all the programs and events the PTA has during the year. We are looking for a Fit Rep from each class. A Fit Rep sends information to classroom parents and preps for upcoming events (i.e., pep rally and festival).. The Fit-A-Thon is a a month of fun-filled activities leading up to the day that students look forward to all year long. Most of the work can be done at home, but we are also looking for volunteers on the day of to set up and clean up. This years Fit-A-Thon will be held on Wednesday, October 30<sup>th</sup>.

This year's Teacher Appreciation Week is May 4-8. Join this great committee to give back to our wonderful teachers!

## **HUNDRED MILER CLUB**

---

Walk, jog, or run...it doesn't matter, we just want our kids to get ready for the day by being active. Come on out and join your student in the morning by doing a few laps. Students track their laps and try to reach their personal goal. By the end of the year, students travel an amazing number of miles. Last year alone, two 1<sup>st</sup> grade students did over 200 miles each!

## **LITERACY NIGHT**

## **MEMBERSHIP**

**Anquoinette Crowder-Jones**

---

Physical Education is very important for our students lives. With the money that we raise from the Fit-A-Thon, PTA pays for our students to have PE. This year, we are using a new program (S.P.A.R.K.S.) through the district that pays for our teachers to be trained through the district.

Fifteen of our student participants will be invited to represent our school and go to the district science fair in May.

## **REFLECTIONS**
